

New Mexico Medicaid Alert

Medicaid Eligibility Requirements Are Changing

- During the COVID-19 public health emergency (PHE), the state was required to provide continuous Medicaid coverage without renewal or eligibility determination
- At the end of the PHE, all Medicaid patients will need to renew their Medicaid eligibility when notified by New Mexico Human Services Department

Medicaid Customers Risk Losing Coverage For The Following Reasons

- Exceeding income requirements
- Not submitting their renewal application
- Not receiving HSD renewal notifications due to outdated contact information
- Not knowing there are low-cost coverage options available at [beWellnm.com](https://www.beWellnm.com)

Medicaid Insures Over 50% Of New Mexicans

- Over 950,000 New Mexicans are currently enrolled in Medicaid
- Over 83% of births in New Mexico are covered under Medicaid
